

Rise of the Clinician – Reflections on what we should use as evidence in the era of electronic tools like EMRs, Connecting Ontario, and Artificial Intelligence

with **David K. H. Wong, MD, FRCPC**

Clinician Hepatologist, Toronto

Clinician Teacher, Department of Medicine, University of Toronto

Clinician Investigator, Toronto General Hospital Research Institute (TGHRI) & Toronto Centre for Liver Disease, University Health Network

via **Zoom (registration required)**

deptmedicine.utoronto.ca/CWMGR-2023-05-17

Wednesday, May 17, 2023 @ 12:00 to 13:00

LEARNING OBJECTIVES:

At the end of the presentation, participants should be able to:

1. Describe better ways to integrate electronic resources such as Connecting Ontario and their EMR,
2. Compare and contrast their personal medical experience with the published literature, and
3. Reflect on how to use their EMR to explore their clinical experience for QI and research purposes.

EVALUATION & ATTENDANCE:

via deptmedicine.utoronto.ca/CWMGR-2023-05-17

Attendance for Maintenance of Certification credit will only be tracked if evaluation and attendance surveys are completed.
