

Aerospace Medicine Rounds

From Call to Delivery

Tuesday, November 7th, 2023

12:00 – 1:00 p.m. (ET)

Dr. Paul Tourigny, MD FRCP C EM

Emergency Physician/Transport Physician
Clinical Assistant Professor University of Calgary
Director, Prehospital Training Programs STARS

Learning Objectives:

1. Understand the end-to-end process of an air evacuation
2. Appreciate the various roles and equipment required to undertake a mission
3. Describe some of the limitations and challenges in current civilian air evacuation capabilities

Zoom Details:

<https://utoronto.zoom.us/j/82005229420>

Meeting ID: 820 0522 9420 Passcode: 425472

A post-rounds evaluation survey will be circulated shortly after this date.

Please email occmed.div@utoronto.ca to be added to the [Aerospace Medicine Rounds](#) and/or the [Occupational Medicine Rounds](#) Mailing Lists.

*The 'Aerospace Medicine Rounds' is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada. **To be eligible for Section 1 MOC credits, participation in the event must be formally recorded. For tracking purposes, participants attending must ensure their Zoom display/login name includes first and last name.***

If unable to attend, it is possible to claim RCPSC Section 2 credits at 0.5 credits per activity for watching the recorded video. All recordings of prior Aerospace Medicine & Occupational Medicine Rounds are posted here: <https://deptmedicine.utoronto.ca/rounds>
