Password: 876207

The 'Aerospace Medicine Rounds' is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada.

To be eligible for Section 1 MOC credits, participation in the event must be formally recorded. For tracking purposes, participants attending must ensure the login name includes first and last name.

Please email aerospace.med@utoronto.ca to be added to the Aerospace Medicine Rounds mailing list.
Evaluation survey: LINK WILL FOLLOW

A recording for the rounds will be posted on the website: <https://deptmedicine.utoronto.ca/rounds>

Rounds will recommence in the Fall. Please watch for additional details in late August.
